Dear Mr. Konickson, Mr. Spading,

Enclosed with this email, please find a cover letter on behalf of WaterLegacy dated August 4, 2017 and its attachments, an expert evaluation prepared by Jonathan Price, PhD, pertaining to wetlands impacts of the PolyMet NorthMet mine, Dr. Price's *curriculum vitae*, and two peer-reviewed articles co-authored by Dr. Price pertaining to mine dewatering and wetlands impacts.

Please confirm your receipt of WaterLegacy's cover letter and these expert materials.

Please also feel free to contact me if you have any questions about these materials. WaterLegacy would welcome the opportunity to meet or confer by phone to discuss the issues raised by Dr. Price's expert evaluation.
